Niles, IL 60714-3403

Apply Online: www.InstituteOnline.com/Jobs

Real Estate Institute is seeking a **full time Software Developer / Analyst** who is a smart, enthusiastic technology professional who has the drive to take on multiple challenging roles within our successful and growing company. This position is a great opportunity to advance your skills and prepare you for more senior development roles.

The right candidate will have a few years of software development experience and look forward to working within our small development team that designs, builds, and maintains the custom applications that drive our business. This role allows you the ability to work with all levels of leadership. You'll have a seat at the table to help drive the growth of technology within the organization.

Responsibilities include:

- Development and maintenance of web and rich client/desktop applications in a Microsoft technology centric environment
- Development tasks related to the maintenance of and migration away from legacy systems
- Development and maintenance of reports and business intelligence components
- Additional development tasks in support of ongoing initiatives to enhance our CRM, eCommerce, academic, and other applications

For consideration, you must have the following skills and experience:

- Ability to work closely with other developers using team-driven development tools, such as project tracking and revision control systems
- Minimum three years object-oriented programming experience
- Experience with creation and maintenance of HTML, CSS, and JavaScript
- Self-starter with a strong work ethic who can work independently or with a team
- A friendly demeanor with good interpersonal skills and a desire to work closely with your co-workers

Additional Requirements and Considerations:

- Experience with Microsoft .NET/C# is preferred
- Expertise writing, analyzing, and optimizing SQL queries desired
- Associate's or bachelor's degree in computer science or similar is preferred
- Intermediate or advanced Microsoft Office user (including Microsoft Access) is preferred

Company Information:

- Compensation: Full-time salaried position. Compensation dependent upon experience.
- Benefits: Complete benefits include medical, dental, vision, short term disability and life insurance; paid time off, and retirement (Simple IRA) with company match
- Attire: Business Casual
- Company Culture: Small office, team-oriented environment
- Location: North suburban Niles location with free parking
